

Abdi Abdirashid

Junior QA Tester

Stallikerstrasse 8 | 8906 Bonstetten

+41 76 459 70 06 | abdi.abdirashid@hotmail.com

Profile

Motivated career changer with a completed Maintenance Practitioner EBA apprenticeship and professional experience in production, maintenance and installation. Alongside my full-time job I am completing the Google IT Support Professional Certificate and developing practical QA skills through my own web projects. I am looking for a junior position where I can test software carefully, document defects clearly and learn from an experienced QA team.

Work Experience

Production Employee — Stooss AG
04/2025 to present
Production, quality sampling and careful handling of components

Carpenter — Egli Carpenterei
09/2024 to 12/2024 | Temporary
Precise work with tools, measurements and assembly tasks

Temporary Assignments — Qero AG & Topas Personal
05/2023 to 09/2024
Quickly adapted to changing teams and workflows

Office Assistant — Onyx Restaurant, Baar
11/2023 to 05/2024
Organisation, communication and support in daily operations

Installation Assistant — V-ZUG, Zug
08/2022 | Temporary
Supported installations by following clear instructions

Category B Driver — Galliker Transport AG
01/2022 to 07/2022 | Temporary
Reliable transport and careful handling of goods
